MUSIC STAR PRODUCTIONS ANNOUNCES INSTRUCTIONAL GUITAR DVD SERIES

FEATURING GREG DOUGLASS

*** Lead Guitar, Fingerpicking, Tribute to The Beatles and more. ***

Concord, CA -November 26, 2004 - Music Star Productions announced today the launch of the first DVD in a series of Instructional DVD's featuring multi-platinum recording artist Greg Douglass. *Lead Guitar With Greg Douglass* is a 110 minute DVD filled with many of Greg's techniques to help musicians build a solid foundation of becoming a lead guitarist. Students will also benefit from the many features that Music Star Productions incorporates into their products. With on-screen tablature, a fully interactive lesson library and exclusive access to an online book and "Jam Trax" Lead Guitar with Greg Douglass is an educational and entertaining tool for today's guitarist.

Music Star Productions is scheduled to release "Greg Douglass Fingerpicking" in early 2005 as well as "Revolution: A Tribute to The Beatles" in Spring/Summer 2005. Each DVD will feature the comprehensive lessons as well as bonus and interactive materials that have become a staple for all releases by Music Star Productions.

About Greg Douglass

Greg Douglass is an incredibly versatile multi-platinum artist who has toured and recorded with Steve Miller, Van Morrison, Greg Kihn, Eddie Money and others. Greg has appeared on over 75 albums and "Jungle Love" , a song he co-wrote with bassist Lonnie Turner, continues to be played daily throughout the world on Classic Rock radio stations .
